

NABI MEDICAL AESTHETICS

IV HYDRATION

CLASSIC MYERS

Considered the “Gold Standard” for overall wellness and perfect for frequent hydration. Meyers is a mix of Vitamin B Complex, B12, Vitamin C, and electrolytes. Meyers is effective against fatigue, fibromyalgia, acute asthma and more.

RECOVERY

Recover and hydrate after a night out, a day on the water or an afternoon on the golf course. Recovery contains elements for general aches and an upset stomach by restoring fluids and vitamins. Can be done prior to an event for prevention of a hangover.

MIGRAINE RELIEF

Get back to feeling yourself. This infusion with Magnesium, Vitamins B & C, and anti-inflammatories will help reset your body so you can get back to your daily routine. May also reduce the frequency and severity of sutre migraines and chronic pain.

VITAMIN INJECTIONS

- Vitamin B12
- Biotin
- glutathione

Immune Booster

Fortify your body's defense with an immune boost infusion containing Vitamin C. Vitamin B complex, B12, Magnesium, Zinc, antioxidants and hydration. Perfect for before and after a long getaway or at the onset of cold, flue or COVID symptoms.

NABI GLOW UP

Turn back the clock with this blend of vitamins and antioxidants that can help detoxify your body and strengthen your hair. Skin. and nails to help you look and feel your best.

NAD+

NAD+ is an essential and natural substrate in our energy generation as well as the process that controls aging. Our naturally occurring NAD+ decreased with age which is attributed to an array of age related pathophysiologies. This infusion will help with energy support, chronic fatigue. Detoxification as well as anti-aging and metabolic support.
